WALK & TALK ON BAY SHORE

Many Mattapoisett residents gathered to participate in the Buzzards Bay tour which, in Mattapoisett, consisted of a guided tour of our inner harbor and the Shining Tides beach. "Nick" Nicholson, town coordinator for the event, conducted the tour assisted by Peter Kortright, Andrew Kolek, fisheries biologist, Martha Peterson, environmental biologist; Brian Nunes, Mattapoisett Shellfish Officer; Priscilla Hathaway, Mattapoisett historian and part-time Mattapoisett Conservation Commission member; and Francis Rowland, who is a student of Mattapoisett's

The body of water on the opposite side is the marsh which is the source of many of the local water resources. The beach at Shining Tides, which forms the inner harbor into which the Mattapoisett River empties, and is a prime quahog ground, was along the walk. Mattapoisett enjoys a beautiful corner of Buzzards Bay, rich in both recreational and seafood resources, and the walk was enjoyed to the fullest by those who gathered to hear the experts as they enjoyed the vistas which opened at every turn and which are available to anyone, in any season who will walk out and see the beauty all around them.

Mattapoisett Selectmen's Meeting

OCTOBER 7, 1986-by VIRGINIA ARRAL

CENTER SCHOOL BOILERS NEED REPLACEMENT

Ellen Driscoll, chairman of the Mattapoisett School Committee, informed Selectmen last week of the condition of the two boilers at Center School, saying, "Both are in need of repair".

In referring to the previous night's school committee meeting, Mrs. Driscoll said the committee would prefer to replace the boilers, both of which are 40 to 50 years old. However, she noted, the total cost to replace the boilers would be in the neighborhood of $60,000 and is out of the committee's budget at this time. She added that one boiler is operational, but the backup boiler comes on when the weather gets colder; this puts a strain on the old boiler.

Mrs. Driscoll said parts of the one boiler must be replaced at a cost of $4,739 before the heat-

ing season begins. "If we were to purchase one new boiler at $40,000 and rebuild the second one at $20,000 it is possible we could receive state building assistance funds on a 60/40 basis" (60 percent state-40 percent school committee). She noted these state funds are allocated based on priority to energy related projects. The School Committee would have to come up with about $3,500 to $5,000 for technical costs.

Selectmen Chairman John DeCosta told Mrs. Driscoll to send the Board a formal letter outlining just what is needed and the condition of the present boilers. The Board will speak to the Finance Committee to see about Reserve Funds to pay for the immediate repair and perhaps for the technical costs.

Selectman Frank M. Suzan said he will check into prices of companies other than the one the school committee received. The school committee chairman explained the company recommended a combination gas/oil type boiler. This type can alternate fuel use to whichever fuel is less expensive at a given time. Selectman James F. Huntoon added that a new boiler would be more efficient and save money in the long run.

In January of this year, the Board

received a letter from Andrew J. Santos, ORR School District Superintendent for Business, in which he outlined the long range capital improvements needed in both Center and Old Hammondtown Schools. One of the more pressing needs was the major upgrading or replacement of the cast iron sectional boilers at Center School, with cost estimates ranging from $30,000 to $60,000 and technical costs of 14 percent.

In other business, Selectmen:

On another matter with Mrs. Driscoll, she asked if the town has adequate insurance if the playground at Center School is expanded. She said the Playground Committee is working to add to the playground and the School Committee expressed concern on the liability insurance coverage. Chairman DeCosta said the Board will check with the town's insurance broker and get back to the school committee.

LIBRARY RECEIVES GIFT OF PLANTINGS

Thanks to the donations of an anonymous giver and of Mattapoisett horticulturist Donald Marvin, the grounds of the Mattapoisett Public Library will be a little more colorful next spring and summer. The Gardening Group of the Mattapoisett Woman's Club, inspired by a donation of money to be used for the beautification of public areas in Mattapoisett, designed a simple, low-maintenance plan for the front and sides of the Library. The design incorporates the use of spring-blooming daffodils and summer-blooming daylilies, with the existing foundation plantings.

On Wednesday, October 8, the women of the gardening group met at the library to turn over soil, plant bulbs and daylilies, and spread a protective bark mulch over the area. The effect is already pleasing. However, next spring promises to bring a welcome splash of color to one of Mattapoisett's most visited spots.

FRIDAY, OCTOBER 17

An explosion of Talents 'N' Treasures is happening Friday night, October 17th. The Mattapoisett Congregational Church invites you to a fun-filled night beginning at 6:30 and held at Reynard Parish Hall at the church. A pot-luck supper will begin the evening and an auction will top it off. Some items already offered are an 8' picnic table, stained glass decorated (boat motif) mirror, hors d'oeuvres for 25 people, Celtics tickets (4 to one game) and a day excursion on a 32' sloop.

For answers to any questions or to buy tickets call Charles Jenks at 758-9565 or the church office at 758-2671. It will be a fun night with good food, items and friends (ones you know or have yet to meet). Come and be a part of this fun event.

Democratic challenger Robert Foster. Each candidate will have the opportunity to make a five minute introduction before questions will be received from the floor.

EXHIBIT-PAINTINGS BY C.H. GIFFORD

The Whaling Museum announces the opening on November 7th of an exhibition of paintings by the 19th-century Fairhaven artist, C. H. Gifford. The exhibit, A FORGOTTEN LUMINIST: CHARLES HENRY GIFFORD (1839-1904), will be on view at the Museum through January 11th, then will travel to the Katonah Gallery in Westchester County, New York for a further six weeks.

A member's preview on November 6th will feature an illustrated lecture, Charles Henry Gifford and American Luminism by John I.H. Baur, Director Emeritus of the Whitney Museum of American Art. The term luminism, which Mr. Baur was the first to use, refers to a particular style of mid-19th-century American landscape and marine painting. Luminist works are

characterized by the artists' efforts to render light and atmosphere as clearly as they could. Mr. Baur's article placing Gifford within the context of American luminism will appear in the November issue of Antiques.

C.H. Gifford was a lifelong resident of Fairhaven. He lived on Lafayette Street with his wife and four daughters, in a house which he and his father, a ship's carpenter, had built.

Largely self-taught, his career as an artist extended from the Civil War, in which he served, until his death in 1904. Most of his paintings are of harbor scenes and other local subjects, although he made sketching trips to the Grand Manan, Niagara Falls, and once to the British Isles.

Most of Gifford's paintings are small in size, generally about 9 by 14 inches. He once call them "little gems", a phrase that suggests their precise, mirror-like quality, filled with light and tranquility. Gifford is said to have been influenced by such local artists as Bierstadt, Bradford, Van Beest and R. Swain

Mattapoisett Council on Aging

REAL ESTATE TAX DEFERRAL AVAILABLE FOR ELDERLY

The Mattapoisett Council on Aging wishes to call attention to a provision of the State law which makes it possible to defer taxes on real estate under certain conditions. To qualify for deferral one of the owners of the property on which taxes are to be deferred must be 65 years of age or older. For example, if the property is owned jointly with a spouse, either spouse must be 65 years of age or older by July 1st of the year of the application. The person applying must have owned and occupied the property as his/her domicile on July 1st, must have been living in Massachusetts for the preceding 10 years, and must have owned and occupied real estate in Massachusetts as his/her domicile for at least five years. A further requirement is that the applicants' gross income from all sources cannot exceed $20,000 in the preceding calendar year.

The whole or any amount of tax plus interest on the deferred amount calculated at 8% per year may be deferred up to 50% of the applicant's proportional share in the full and fair cash value of the property. Any joint owner or mortgagee of the property must give prior written approval to the deferral agreement. The Board of Assessors must grant the deferral agreement with the Board which in effect gives them a lien on the property.

The advantage of the tax deferred agreement is that it saves cash that would otherwise be required to pay taxes due at a favorable interest

It's about time that someone put TV in its place.

There's a time and a place for everything. At American Cablesystems we believe cable TV is a unique and valuable tool for childhood learning. So we're proud to present wholesome entertainment and fascinating documentaries as part of our regular programming.

We also know cable TV can't teach everything. Which is why we would like to suggest that, for one hour every day, you turn off the set and read to your children.

They'll learn much from the written word, and what's more, so will you. You'll learn that reading aloud brings you closer to your kids. And that, too, has its place.

Reading Is All American.

PRESENTS "THE BEETLE CAT BOAT"

The first in a series of four programs sponsored by the Sippican Historical Society will be held at 7:30 p.m. on Thursday evening, October 23rd, at St. Gabriel's Fellowship Hall in Marion. The first program is entitled the "Beetle Cat Boat". The speaker, Mr. Leo Telesmanick, has been building Beetle Cats since 1930 when he started as an apprentice for the Beetle family on the Point Road in New Bedford. Since 1936, he was in charge of all Beetle Cat building. Since 1921, when the Beetle family of New Bedford designed and built the first original Beetle Cat boat, the essential design, construction and

Mattapoisett Seniors

TO HOLD ELECTIONS

Election of officers and an auction will highlight the monthly meeting tomorrow, Thursday, in St. Anthony's Church Hall, of the Mattapoisett Seniors' Club.

The session will be held at 1 p.m., instead of the usual time of 1:30 p.m., so as not to conflict with plans for the use of the hall later in the afternoon.

The slate of officers will be presented by Joseph Perry, chairman of the nominating committee.

The auction will be conducted by Mrs. Jane Welch and Mrs. Esther Fortin.

Refreshments will be served by Mrs. Rita Rothwell and her committee.

The executive board will meet at 12:30 p.m.

Letters to the Editor

The detailed summation of various proposals concerning Town Hall offices, police and fire stations, and combinations of solutions set forth by Karl T. Haugen was excellent, as printed in the Presto Press dated October 8, 1986.

It is too bad that such a "letter" now and then of official and unofficial scuttlebutt can't be printed occasionally to keep the average citizen aware of ideas for perhaps their input.

So, personally, I would favor:

1. Build a combination police and fire department building to include space for the ambulance(s);
2. Use the existing fire department building for the water department - perhaps some part for the Civil Defense.
3. Leave the highway department where it is, in its sizable complex by the cemetery where they also have

plenty of land and can throw up another shed if need be.

4. Let the Town Hall offices stay in the Town Hall and expand into the present police and ambulance area.

5. The Town Hall - or the Center School, at least the front brick building, donated by Rogers, should not be sold. They are quaint, semi-historical buildings which should be preserved.

Do you remember getting in line in the basement of the school under the strict supervision of "Billy Goat" Bolles and marching up the stairs to a stirring march that majestically poured forth from the old phonograph, or the morning exercise following the admonition to "open the window, take a deep breath and throw out your chest"?

One passing note - I don't see any handicap access in the front of the Town Hall - maybe in the back?

LETTER TO THE EDITOR

What would we as residents of the tri-town area like to do without? Not some other geographical area. Ours! When preparing to vote on question 3 (state tax cap) on the ballot on November 4 consider, please:

-The 60% reimbursement from the state for needed capital improvements to our schools; we say we cannot make the improvements without such help.

-The state money to offset the cost

of the first year's interest on the high school roof (twenty thousand plus); for sewers at the school (sixty thousand plus); school transportation costs (almost totally paid by the state), harbor cleanup, household hazardous waste cleanup (approximately five thousand), special education needs of our children, and the many other areas for which we ask our representatives to arrange to supply funding.

-Our petitions to the governor for bigger bottom lines on our cherry sheets (annual additional operating funds from the state - local aid) because our local tax base doesn't allow us to fund our municipal costs ourselves. State aid must continue to grow to permit local services to keep pace with inflation and accelerating pension and insurance costs and with the deep cuts in federal funds including those for hazardous waste disposal and cleanup.

-The subsidies to public transportation lines to allow some of us to ride buses to Boston.

And these last few years we have been lucky. There has been money for state to share with us to soften the disparity between what we need and what we can afford. But that has not always been the case even within very recent memory.

We are not overburdened taxpayers. As a percent of personal income, our taxes place us 42 out of 50 states, over 10% below the national average. The basic needs of the Commonwealth (US!) should not be held hostage to a desire only to limit taxes, hobble government (US!) and limit sound fiscal planning. We always look for long term planning but many times refuse to recognize it when it is offered. Now that the state has money due in part to full employment and to good fiscal practices by, for example, the Department of Revenue, let the good fiscal planning continue. Let's recognize it now and vote NO on Question 3. WE

BEEKEEPING

Beekeeping was the topic of the presentation by Maurice Richmond to the 4th grade students of Rochester Memorial School on Friday, October 3rd. Mr. Richmond, who has been keeping bees for over 40 years and who learned the trade from his father, gave a slide presentation on pollenation. In addition, he showed the class a "super" on different stages of development and the tools of the trade; i.e. the smoker and beekeeper hat. A huge chart depicting the different types of bees was also shared.

Following the presentation, Mr. Richmond answered many questions from the children. Honey bears were presented to the class to be sampled during lunch or snack time.

Mariner Soccer

TRYOUTS FOR MYSC COMPETITIVE TEAMS

We are at the midpoint of another fall season, and already are beginning to plan for soccer play for next spring. Children currently playing with the Club are registered through August 1987. This gives players two choices for playing soccer in the spring. There will be a shortened (about 6 weeks) instructional program from April to May. Children who did not or were not able to play this fall will be very welcome to participate in the spring if there is room on the rosters.

Another choice would be to try out for one of the several teams which will represent the Mariner Youth Soccer Club in the SCSL (South Coast Soccer League). Last year this competitive team league included teams in four age groups from Dartmouth, Mariner, Martha's Vineyard, Sandwich, Swansea, and Taunton. It is likely that the league will expand to other area towns and cities in southeastern Massachusetts this coming spring. A ten

I kept gaining and losing the same 20 pounds. Then I said, this time it's going to be different.
I tried every pill, every gimmick to lose weight. Only to feel miserable when I gained it all back. Finally I said no, never again—*this* time I'm going to Diet Center. I lost the weight, without hunger. And I'm keeping it off.
My only regret? Not going sooner!

week schedule is planned and matches will take place on Sunday afternoons. Winning teams in each participating age division will compete at the State Tournament at the end of June.

Tryouts for the MYSC boys' competitive teams will be held one day, Saturday, October 18th. The girls' division will be holding tryouts at a later date. Mariner would like to field teams in each age group and in each Division (I & II). Times, location and contact persons for the tryouts are:

Under 10, 9:00 a.m., ORR Junior High Field 7; Under 12, 10:00 a.m., ORR Junior High Field 7; Under 14, 11:00 a.m., ORR Junior High Field 7. Age Group Directors: Under 10, Nicholas Wagner, 995-1233; Under 12, Alan Hunter, 748-2340; Under 14, David Pimental, 763-2779.

The team tryouts will be open to any player registered with the club along with interested children from Acushnet, Fairhaven, Mattapoisett, Marion and Rochester. Coaches will be selecting players based on skill level and desire.

Mattapoisett Council on Aging has been awarded $2,013 and the Marion Council on Aging has been awarded $1,568 under the expanded Executive Office of Elder Affairs FY 1987 Formula Grant Program. The Mattapoisett grant will be used to provide for transportation services and to purchase a new typewriter. The Marion grant will be used to provide for van operations and maintenance, and pay additional coordinator's expenses.

According to Senator MacLean, this year's awards represent a 26% increase over last years, and are allocated to each municipality based on their population of elders according to 1980 U.S. census figures, at a rate of $2.15 per elder. The minimum grant awarded was $700, regardless of community size.

Services provided by and through local Councils on Aging and Senior Centers reach an estimated 360,000 elders around the Commonwealth. Increases in awards for local councils demonstrate the importance they plan in efforts to serve Massachuwetts elders.

Senator MacLean expressed his happiness about these awards, stating, "These funds should continue to promote elder independence. Moreover, the grants will certainly be helpful to the local Councils on Aging and enable them to continue the excellent job they are doing!"

Chiropractic treats
Athletic Injuries

Most athletes have come to recognize the hazards involved in their activities, and are among the most regular patients of chiropractic.

It is important to consult your doctor of chiropractic regularly, regardless of your type of recreational activity. If you are a parent, it is important to make certain your child does not suffer a spinal problem.

Your doctor of chiropractic will detect and correct subluxations, however incurred, and will arrest or prevent problems which they would produce. Chiropractic treatments can not only re-establish nerve function, but will relax you as well. With improved health, your enjoyment of your recreational activity will be enhanced.

AUTUMN ON THE AGAWAM

Joining the nationwide celebration of Coastweek, the Plymouth County Wildlands Trust invites the public to a canoe trip on the Agawam River on Saturday, October 18th, from 12:30 to 4:30 p.m. The Agawam flows south through cranberry country to Buzzards Bay. David Wylie, a specialist on the staff of the Web of Life Outdoor Education Center, will lead PCWT's five-mile journey from the Fawn Pond area in Plymouth to Routes 6 and 28 in East Wareham. The fall scenery will be varied and attractive as the group passes bogs, ponds and woodlands. To register and receive directions to the launch spot, please call 224-3587 or 826-5050.

There will be three short portages around dams downstream, so participants should be fairly agile and in good physical condition. Warm clothes and sturdy walking shoes are recommended. The trip is free but participants should bring their own canoes. Binoculars, field guides and a snack

Plymouth Philharmonic

VIOLINIST OPENS SEASON

Just 24 years old, Benny Kim has already appeared with many orchestras and at universities throughout this country. Mr. Kim joins Rudolf Schlegel and the Plymouth Philharmonic in Mendelssohn's Violin Concerto in e minor at the orchestra's opening night concert on Saturday, October 18th. The performance begins at 8 p.m. in Plymouth's Memorial Hall.

Benny Kim won the Young Concert Artists International Auditions in the spring of 1983. His New York debut opened the 1983-84 Young Concert Artists Series, and his Washington, D.C. debut at the Kennedy

Young Concert Artists soloists are chosen by a distinguished jury that annually auditions hundreds of young musicians from around the world. In its 25 year history, Young Concert Artists has been credited with discoveries and launching the careers of such outstanding musical artists as pianist Emanuel Ax, flutist Paula Robinson and violinist Pinchas Zuckerman.

Through Young Concert Artists Mr. Kim has performed concertos with the Naumberg Orchestra in New York, the Aspen Philharmonia, the Western Illinois Symphony, the Missouri Symphony and the Midland-Odessa Symphony. His concert engagements have also included several universities and summer festivals.

Benny Kim's appearance with the Plymouth Philharmonic Orchestra is funded in part by a grant from New England Telephone, the National Endowment for the Arts, and the Massachusetts Council on the Arts and Humanities, through the New England Foundation for the Arts.

In addition to Kim's performance of the Mendelssohn Violin Concerto, two other works will be presented at the

State Minibond Sale

SALE OF $50 MILLION IN TAX FREE MINIBONDS - ANNOUNCED BY STATE TREASURER CRANE

State Treasurer Robert Q. Crane announced last week that commencing October 14, 1986 through October 24, 1986 the Commonwealth of Massachusetts will offer $50 million of tax free minibonds for public sale, in denominations of $100, $500., $1,000, $2,000, and $3,000.

"Every citizen now has an opportunity to buy Massachusetts' minibonds in denominations as low as $100 and to buy them directly from the treasurer, without brokerage, management, or commission fees. The minibonds are convertible to cash at any time by the registered holder," Crane said.

The effective annual yield to minibond purchasers ranges from 4.04 percent to 5.75 percent depending on the date of redemption. Payment for minibonds must be made by certified check, money order, or bank check. Cash will be accepted

Coming to Zeiterion:

FERRANTE AND TEICHER

Renowned duo pianists Ferrante and Teicher will stop at New Bedford's Zeiterion Theatre Thursday, October 23rd, for an 8:00 p.m. performance. The event is the first installment of the Entre Computer Music Series. Tickets for Ferrante and Teicher are priced at $18.00, $16.00 or $14.00 with a $2.00 discount for students and seniors.

Ferrante and Teicher are perhaps the most famous piano team in the world. The song that catapulted them to fame is the "Theme from the Apartment". Subsequent recordings include "Exodus", "My Fair Lady", "West Side Story", and "Midnight Cowboy", which not only sold millions but has become their musical identity. Their instantly recognizable work has earned them the coveted title of "The Movie Theme Team". The duo has recorded over 100 albums, 21 of which are certified gold.

In Ferrante and Teicher's current show, the brilliant pianists will once again display their spectacular piano pyrotechnics, along with their

to portray characters who aid Alice in her plight. Each actor is responsible for multiple characterizations, and changes from one character to another before the eyes of the audience. The pace of the play is fast and frantic, filled with zany antics. You'll meet the Mad Hatter, the March Hare, the Cheshire Cat and a host of loveable and familiar characters.

Producing Director Edward Sayles founded the Merry-Go-Round Playhouse in order to grant young professional actors a place for artistic innovation and literary quality. Alice in Wonderland, their most popular piece, was performed at the Smithsonian Institution last March.

Continuing the festivities at 1 p.m., Hurdy Gurdy, Monkey and Ma will entertain children of all ages. The charm and excitement of days past will be recreated on our outdoor stage during this fun-filled performance. Children will be enchanted by this historical character and his melodious sounds. (Should the weather be inclement, the performances will take place in the Round Barn Theatre where guests will be seated on a first arrival basis.)

Membership, as well as admission tickets to the Museum for the day, will be honored for these events and will include admission to all the Museum buildings, exhibitions and grounds. Tickets are $5. for adults, children under 12, $2., five and under are free. The Museum encourages families to enjoy a picnic lunch in the picnic area outside the Main Gate. Picknicking is not allowed on the Museum grounds.

Heritage Plantation is three miles from the Cape Cod Sagamore Bridge, exit on Route 6A, then go right on Route 130 to Pine Street and the Museum.

Glass Museum

The public is cordially invited to tour "New Acquisitions at the New Bedford Glass Museum" on Sunday, October 19th, at 4:00 p.m.

Curatorial Assistant Janice Hodson will be conducting this personal tour of the Glass Museum's newest collection pieces. Among the highlights of the tour are several important pieces of Mount Washington art glass, a Pairpoint lamp, and New Bedford silver.

Janice Hodson is a young glass scholar, appointed to the Glass Museum curatorial post in 1985. Ms. Hodson is a graduate of Southeastern Massachusetts University, and was formerly with the Brockton Art Museum. Concurrent with her Glass Museum position, she is pursuing graduate study at Boston University.

Cost of the special tour is $2.00 for the general public, $1.50 for senior citizens, or free to Museum members.

The NBGM is located at 50 North Second Street in New Bedford's waterfront historic district. Ample parking is available for the tour, behind the Museum.

REGISTRATION FOR FALL PROGRAMS

The Greater New Bedford YMCA will be accepting registrations for a variety of fall programs and activities that begin the week of November 3rd. Registration for YMCA members begins October 20th and for the general public beginning October 27th.

To make people in the community more aware of some of the newer programs at the YMCA, an invitation is being extended to people to try out some of these classes during the week of October 27th at no charge. Programs offered for trying out include youth sports classes, a Saturday morning mini-camp program for grade school children, physical education programs for infants, toddlers and pre-schoolers, a variety of new fitness programs for children and adults and Scuba Diving.

Grade school age boys and girls will have a chance to explore gymnastics, a special aerobic fitness class for children, or a choice of pillo polo for younger children or styx ball for older ones. Pillo polo is a lead-up game similar to floor hockey using wing foam sticks. Styx ball is similar to lacross using plastic sticks and foam balls. Also on the schedule is a package program of gym, art, and swimming on Saturday mornings.

"We have developed a progressive physical education program for youngsters aged 6 months through 5 years that concentrates on developing gross motor skills", explained Andrew Fales, Program Director. "It is a fun and very rewarding program that complements our successful pre-school aquatic program. We hope this try-out week will allow parents to see what they may be missing."

New fitness classes this fall will be available to try out during the week also. Included are a noon-time fitness class, a special exercise for senior citizens, and aerobics classes. If early mornings are for you, there is an Early Bird Fitness Class. A free SCUBA demonstration in the pool will be conducted by Cape Cod Diving School.

Space is limited for this special tryout period. To register or for more information call the YMCA at 997-0734.

Tournament Bridge

DARTMOUTH BRIDGE CLUB

Mary Terpeny, having won the required Master Points in tournament bridge competition, has been advanced to the rank of National Master by the American Contract Bridge League. Her next objective is Senior Master status.

Doris Liberty, a Life Master in the bridge world, has passed another milestone in tournament competition by reaching the 500 Master Point mark.

Congratulations are in order to both of the above ladies for their accomplishments.

Winners in the regular weekly bridge tournaments held last week at the Dartmouth Bridge Club are announced.

Monday evening, October 6th, the North-South winners were Doris Li-

Ray-Ban® for Driving

Fully equipped to handle the visual demands of drivin

New B-15 top gradient mirror lenses enhance vision by screening out blue light, cutting road haze, boosting contrast, and sharpening details. Glare is blocked at all times to provide superior protection. Even when driving in intense sunlight for hours at a time, the lenses keep your eyes cool and your vision sharp. Colors are distortion-free; lenses are optically correct; frames are quality built for long-wearing comfort.

BAUSCH & LOMB

Light-sensitive photochromic lenses (left) do not provide complete protection for driving. The car roof and windows block some of the sun's ultra-violet rays which prevent the lenses from darkening fully.

Ray-Ban B-15 lenses (right) block glare at all times to keep vision sharp and eyes relaxed.
